For Official Use only.

Date: _____

CAP Staff Initials: _____

Book the Road Show! Invite CAP to come to you.

Our well-behaved ambassador pets love to visit schools, businesses and local organizations wanting to learn more about our homeless companion animals and what we can do to help. Requests for visit from CAP should be made at least **two** weeks in advance of event. We shall attempt to contact within the next week to discuss your request.

Invite us to your company picnic, health fair, school career day or after school program. We love to speak to students, scouts and even community boards. Day or evenings are available. Monetary gifts, wish list donations or pet food drives are encouraged to help us care for our homeless pets. We appreciate your interest in learning about our furry friends.
